Subject: Competitive Demonstration Program

The attached PDF file transmits the DHHS Policy Directive on the subject program. As required by law, the monitoring of small business goal accomplishments in the program's Designated Industry Groups (DIGS) for HHS, i.e., Refuse Systems and Related, A&E and Construction Services demonstrates that small business have maintained the level of contracting that dictate acquisitions in these areas would not be conducted as set-asides for small business for Fiscal Year 2001. Acquisition officials are reminded that consideration of 8(a) contracting and HUBZone set-asides continues to be authorized under these DIGS.

The attached file will be posted on the SBO Web site under "Program Notes".
